A strange
looking white
mehk?

Could this
guy be...

Something
inside me
tells me I
should run,
but...

With this,
it's like
my whole
body is
clad in
armor!

Chinese
martial
arts!

That
stance...

He
definitely
felt that
hit...

but...

For
I could
move my
body
little more

It wasn't
enough!

That
idiot
brother!

What the
hell have
you done...

He's
receiving
treatment at
the Nakano
police
hospital.

...
This
isn't a
joke?

It's
true.

Yes.

The good
news is that
his life is not
in immediate
danger,

so we'll
visit him
after
school.

Nakano Police Hospital

Ah!

Both the one
inside and the
one outside
were damaged.

The following
devices I left in
Sakura-kun's
hospital room
have been
destroyed.

Ariki!

Erika
Ariki!!

Erika...

What do the Ten Member Class want to talk with Leo about?

Direct descendants of both the Saegusa and the Jaamori family were visiting Leo's hospital room, but...

Hey, Ireland!

はーん?

The Fairy Princess' Multi Scope was unexpectedly effective.

The listening devices were destroyed when they entered the room.

The one outside the room was rendered unreachable due to Jaamori's barrier magic.

Eh?

Did they
come visit
him because
of that?

The girl rescued
by Soljou-kun
yesterday seems
to have been one
of Saegusa's people.

You're
useless.

There was an
order from our
superiors to not
ingore any further.

So we're
blind, huh?

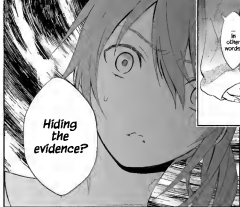

Guessing
will have
to suffice.

concealing
the victims
of this
Vampire
incident.

The
Saegusa
family
seems
to be...

Well, I can
guess the
rest from
just that.

Light hits like that and nothing. I'm built like a tank.

Leo, it doesn't look like you were injured...?

What a nice lady.

Well, I'm wondering where and how you got hurt.

Suddenly, in the middle of the battle, my strength left my body.

Your strength left your body?

I don't really understand it much, but...

My consciousness was a bit hazy, but I recall it running away.

Then, my idiot brother found him collapsed on the scene.

Ruh, I didn't receive a single cut on my body and the blood tests didn't reveal anything either.

And you weren't poisoned or anything?

And? What happened to the vampire after that?

That's definitely strange.

and I couldn't discern from its body type either because of the hard body armor worn under the longcoat.

It had a hat lowered over its eyes and it wore a bright white mask.

But.

But that vampire? It had a weird appearance.

Did you see its face?

A
"Parasite".

Parasitic
beings invoke
magic that
alter their
host.

They're also
known as
evil spirits
and demons.

PARANORMAL PARASITE

鬼物寄生体
(鬼物の寄生体)

That's the
name we
Ancient
Magicians
have given
them.

Paranormal
Parasite.
Also more
simply,
Parasite

Why do
such
beings
exist...

Parasite...

So
that's the
true form
of the
vampires.

...
and so,
about the
method to
investigate
the parasites
that attacked
Leo.

They
seem to
exist by
means of
magic.

We don't
need to
become
unreasonably
scared of
the unknown.

Eth-

Ethereal
body?

Leo,

Is it
okay to
examine
your
ethereal
body?

In other
words, the
embodiment
of your
life and
existence.

Your
Ethereal
body and
soul are
the same
thing.

By doing
that they
can take
in life energy.
It seems to
be their
source of
food.

The
parasites
consume
human
flesh and
blood.

The amount of life force that's been taken out of you...

No, because in most cases the average person would be unconscious!

Hey, hey, what are you trying to say?

To be able to suck out life force in the middle of a battle,

To also suck blood seems like it'd be unnecessary.

Well, yeah.

It's cause my body is special made.

So, about the masked woman who weakened me and sucked my spirit out.

did you come to a conclusion?

Yeah, I think so, but...

It was.

So, Iika.
How about
you?

Paradise,
huh. That
conversation
was quite
interesting
indeed.

It seems
like you
referred
to our
conver-
sation
just now.

He's the
only one I
can call
my disciple.

In addition
to that, he's
received my
personal
guidance.

Simply put,
that guy has
stepped through
the gates of
Chaos. He's
our pupil.

**This
is not
toler-
able!**

Such
a cold
line of
reasoning.

My own
disciple
has been
targeted.
There's no
way I could
stay silent,
right?

We
simply have
to take
up the
gauntlet.

The ones
picking a
fight is
the other
party.

Hi everyone.

This is another release
from X&M Scams.

We look forever finding raws
for this. Sorry. Anyways,
we got a team more or
less scrounged up now,
so releases (once we have
translated raws)
should come out faster.
